Dear Regional Commissioner,

The **AYSO Green Thumb Award** is about giving more kids the opportunity for an “AYSO Experience” and is given annually in recognition and appreciation of Regions, Areas, and Sections who actively support growth through the use of AYSO programs.

At the 2009 NAGM in Dallas this past May we recognized those Regions, Areas and Sections and their volunteers who actively supported growth during the year through use of the AYSO programs. Volunteers benefiting more kids by raising the quality of the AYSO experience. Your “Green Thumb” certificate and award pins are your recognition, as a Region for supporting AYSO and its growth efforts. Please accept these on behalf of AYSO and your National Board of Directors.

Your Fellow Volunteer,

A handwritten signature in black ink that reads 'Mike Wade'.
